

Mission Debriefing

FAMILY INVOLVEMENT ACTIVITY

Ask your child these questions the day he or she participates in the space simulation at school. Write down a few words or phrases for each answer, sign the sheet, and ask your child to return it to class.

Wow! You did a live space simulation today!					
1. What was the name of the mission?	2. What was the mission about?				
3. What was your team's role? What was your specific job?					
4. What kind of data or information did you collect? Did you have to make any decisions based on your data?					
5. Was there a crisis? How successful were you and your team at solving the crisis?					
6. Name one way the mission was fun. Did it feel real?					
7. Give an example of something you learned or a skill you improved as a result of the mission.	8. List one way you understand some part of math or science better now.				
9. Did being part of the space simulation make you feel like you would like to work for NASA? (circle one)	10. Name one thing you could do in school to help you prepare for a career with NASA.				
<table border="1" style="width: 100%; text-align: center;"> <tr> <td style="width: 25%;">Not at All</td> <td style="width: 25%;">A Little</td> <td style="width: 25%;">Some</td> <td style="width: 25%;">A Lot?</td> </tr> </table>		Not at All	A Little	Some	A Lot?
Not at All	A Little	Some	A Lot?
