FSI—Tranquility Base Career Bingo

STUDENT WORKSHEET

Instructions

1) You may choose where you want to place any of the careers listed below. Write a career name in an empty space on the bingo card. Write the name only once.

Fire Investigator	**Electrical Drafter**
Municipal Firefighter	**Computer Programmer**
Materials Engineer	**Aerospace Engineering and Operations**
Mathematician	**Technician**
Electrical Engineering Technician	**Occupational Health and Safety**
Computer Support Specialist	**Technician**

2) As your teacher reads the description of a career aloud, place your bingo piece (bingo chip, coin, paper clip, etc.) in the correct square.

3) The first student to fill any line down, across, or diagonally shouts out "Bingo!" and the teacher checks the card for accuracy.

CAREER BINGO— SPACE EDITION
